

ANNUAL INGROUND SALE

50% off retail price

BIG TREES AT SMALL PRICES

These slightly imperfect inground trees are great value for money and a perfect way to achieve maximum instant impact. Suitable for avenue planting, driveways, paddocks and gardens.

Choose your trees now and we'll dig and deliver them in the dormant winter months (July/ August) ready for you to plant.

Delivery Information:

Delivery will take place July/August.

Exact date and time of delivery determined in consultation with customer.

Trees will be delivered ball and burlapped.

Delivery is not included in the prices listed.

Ask our sales staff for more information on delivery costs.

Important Point to Remember:

These are large trees with heavy root balls.

In most cases, especially for trees over 100 litres in size

you will require machinery to dig the hole/s required for planting

and to help lift and position the tree after the burlap has been removed.

Sale Terms:

20% Deposit with order.

Balance to be paid prior to delivery or COD.

Payable by cash, cheque, credit card or EFT.

Advanced trees and hedging ~ grown in pots for year round planting
